

THE HAPPY APP

MACOS DESKTOP INSTRUCTIONS

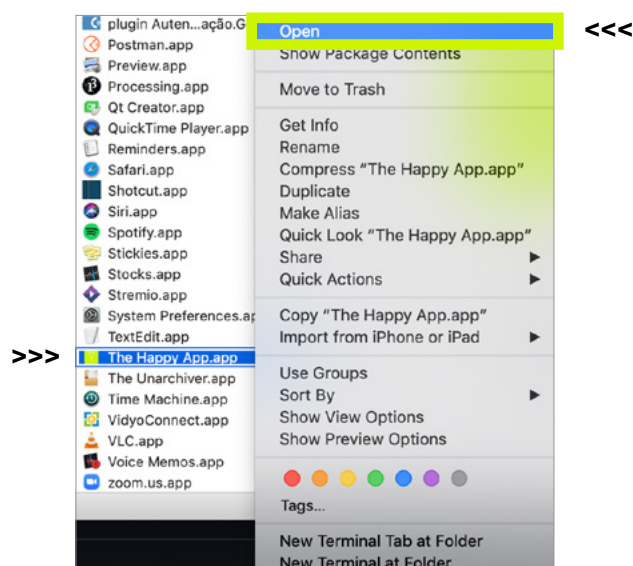

1. Drag THE HAPPY APP icon to the Applications folder.

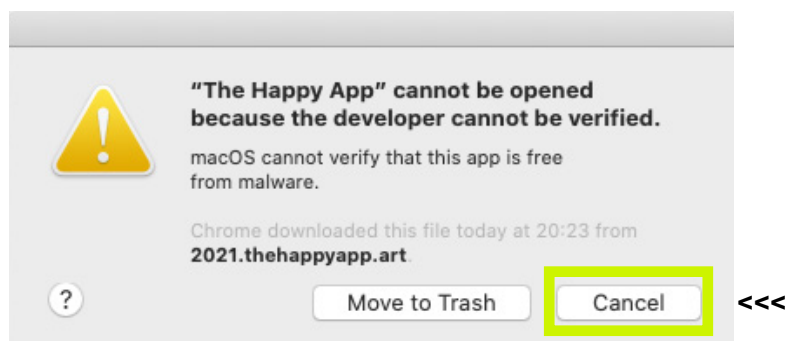

2. Go to > System Preferences > Security & Privacy on your computer.
Make sure you have checked THE HAPPY APP to have access to your camera and screen recording.

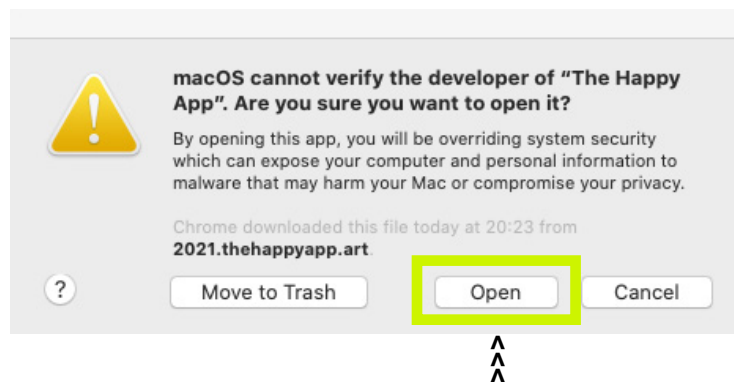

3. Open the Applications folder. Right-click on THE HAPPY APP icon and select "Open".

4. Depending on your system, you will receive a security message. Pop-up A or B.
If you receive A, click "Cancel" then repeat step 3. Once pop-up B appears, click "Open".

Pop-up A

Pop-up B

MAKE SURE YOUR CAMERA IS UNCOVERED AND ENJOY.
